

At the foot of Your Cross

Gmaj Dadd9 Em
Sometimes I feel so a-lone
Gmaj Dadd9 Em
My prayers get stuck in the air
Gmaj Dadd9 Em
The devil's right there to tell me
Em D Dsus4 D
"God can't hear you from up there"
D Dsus2 Cadd9 D
Then the blood comes pouring down

And it spills onto the ground
D Gmaj Dadd9 Em D
At the foot of the cross

When I start to worry
My heart fills up with care
I can't see how I will make it
From here to over there

Then the blood comes pouring down
And it spills onto the ground
At the foot of Your cross [run up cross]
At the foot of Your cross -
that's where I'll stay
At the foot of Your cross -
both night and day
Gmaj Dadd9 Gmaj Dadd9 Em D
At the foot of Your cross

When the world comes calling
Whispers sweetly in my ear
All those things that would destroy me
I can't hear

'cause the blood comes pouring down
And it drowns out all the sound
At the foot of Your cross [run up cross]
At the foot of Your cross -
that's where I'll be
At the foot of Your cross -
It's safe for me
Gmaj Dadd9 Gmaj Dadd9 Em D
At the foot of Your cross

Someday You'll return for me
But if before then I die
Jesus, one way other the other
I'll meet you in the sky

'cause Your blood came pouring down
and it soaked into the ground
Where I knelt at Your cross [run up cross]
At the foot of Your cross -
it's my solid ground
At the foot of Your cross -
there I'll be found
